Tuesday 10th November 2026
9:00 to 12:30 (GMT)

“In 2026, EPiC brings you a unique opportunity: three GxP symposia designed to help organisations power performance across the entire product lifecycle: from clinical to manufacturing & distribution.”

Join us as we discuss the latest regulatory updates, address hot topic compliance challenges and explore how to conduct effective GDP, GMP (Biologicals) and GCP audits.

Learn how to apply critical thinking, avoid common pitfalls and close compliance gaps through expert-led presentations, case studies, and live Q&A panel sessions.

Our events feature an esteemed line-up of former MHRA Inspector speakers and industry experts including:

Richard Andrews

Darren Jones

Michelle Yeomans

Jennifer Martin

Philip Rose

Louise Mawer

Ian Bamforth

Paula Walker

Tony Orme
